

Fashionably Smart

**2024 MIRAGE**

## THE 2024 MIRAGE TURNS HEADS JUST AS EASILY AS IT TURNS CORNERS

### WHEN STYLE MEETS SUBSTANCE

More than just artistic expression, every detail of the Mirage's exhilarating appearance has been designed with a purpose: available Heated Power Side-View Mirrors help keep your visibility clear of ice in the winter; the available Auto LED headlights illuminate your road ahead with a brighter, more efficient light; and the sporty 4-door hatchback body-style provides easy access for up-to 5 passengers, or up-to 1,331L (47.0 CU. FT.) of cargo space when the 60/40 Split Folding Rear Seats are folded down.

## THE PLACES YOU'LL GO...AND GO...

Featuring a highly efficient 1.2L 3-Cylinder Engine and Continuously Variable Transmission (CVT), sleek aerodynamics and a lightweight design, the Mirage is a leader in CO<sub>2</sub> emissions and Fuel Efficiency<sup>†</sup>, making it better for the environment AND your wallet!

With its playful driving dynamics and nimble control, the Mirage is the perfect partner for every urban adventure - including stop-and-go traffic situations and tight parking spots.

UP TO 1,331L (47.0 CU. FT.) OF CARGO SPACE\*

AVAILABLE 15" ALLOY WHEELS

# GREAT THINGS COME IN SMALL PACKAGES!

Don't let the size of the Mirage fool you – it's loaded with today's innovative features to keep you connected and comfortable, regardless of your destination.

The 7" Smartphone Link Display Audio System features Apple CarPlay<sup>2</sup> and Android Auto™; and with Steering Wheel Mounted Audio Controls and Voice Activation, you can effortlessly – and safely – connect with your friends and family by keeping your eyes on the road, and your hands on the wheel.

No matter what the temperature is outside, the Mirage will keep you comfortable year-round, with standard Automatic Climate Control and Heated Front Seats.

The available FAST-Key Keyless Entry & Push Button Start lets you unlock your Mirage, start the engine with the push of a button, and drive away without having to fumble in your pocket or purse for your keys – now that's convenient!

## SUPERIOR PEACE OF MIND

The Mirage takes your safety seriously, with standard features that include: Mitsubishi Motors' Reinforced Impact Safety Evolution (RISE) platform, featuring high tensile strength steel and crumple zones that absorb and disperse energy during high-impact collisions; 7-airbag safety engineering includes a driver's knee airbag; Active Stability Control and Traction Control Logic help you maintain control in adverse driving conditions; a Rearview Camera<sup>1</sup> ensures you can see everything behind you when in reverse; and much more.

The Mirage also features an available suite of advanced technologies to help you get to your destination safe and sound.

### Forward Collision Mitigation (FCM)<sup>1</sup>

Utilizes both laser radar and camera technology to determine if a frontal collision is imminent. If so, it warns you with audible and visual signals, and automatically applies moderate to emergency braking to reduce the severity of the collision and, if possible, prevent the collision altogether.

### Lane Departure Warning (LDW)<sup>1</sup>

Uses an onboard camera to monitor lane position in front of the vehicle, providing audible and visual alerts if it detects your vehicle leaving the lane unintentionally.

### Auto LED High Beams (AHB)<sup>1</sup>

Detects light levels of oncoming vehicles and automatically switches the headlights between low and high beams – a welcome safety feature when driving on dimly-lit roads.

## WARRANTY PROTECTION

AT MITSUBISHI MOTORS, WE'RE SO CONFIDENT IN THE QUALITY, RELIABILITY AND DURABILITY OF THE VEHICLES WE BUILD, THAT WE BACK THEM WITH SOME OF THE MOST COMPREHENSIVE WARRANTIES AVAILABLE.
